To

The Secretary,

Central Board of Secondary Education (CBSE)

Subject: Undertaking Regarding Student Strength

We, the undersigned management of Somnath International School, Kodinar [Affiliation No- 430491], hereby undertake that the student strength of all sections in every class currently stands below 36 and will be maintained below 36 throughout the coming years. This undertaking is submitted in compliance with the Central Board of Secondary Education (CBSE) affiliation regulations, specifically those pertaining to classroom size as mentioned in the Affiliation Bye-laws 2018, Chapter 14: Page 37, Point No: 14.22.

We acknowledge that our classrooms have a dedicated space of 450 square feet, and ensuring a maximum student strength of 36 per section provides an optimal learning environment for our students. This arrangement facilitates effective teaching, personalized attention and conducive learning space of one square meter per student as per the guidelines

We further assure that we will implement the following measures to maintain the student strength below 36 per section:

- **Admission Policy:** Our admission policy will prioritize maintaining the ideal student strength in each class.
- **Section Splitting:** If the number of applicants for a specific class exceeds the maximum capacity, we will create additional sections to ensure the class size remains below 36.
- **Regular Updates:** We will submit periodic reports to the CBSE Board highlighting the student strength in each class, ensuring compliance with regulations.

We understand the importance of adhering to the prescribed classroom size guidelines. We are committed to providing our students with a high-quality education in a conducive learning environment and believe that maintaining a maximum of 36 students per section is crucial to achieving this goal.

We appreciate your understanding and support in this matter.

Yours Sincerely,

Karshan Bhai Solanki
Chairman
Somnath International School
Kodinar

Surinder Singh Solanki
Director
